## THE VOICE FOR GOOD

Voiceovers, acting, animation characters, and singing have been my passion since I was a kid. I am a schooled musician from Berklee College of Music with a chameleon-like voice toolbox, capable of a large range of characters, accents, and styles. I have been told I sound at least 10 years younger than I am. I am currently booking animation, audio books, and radio projects.

## EDUCATED

Berklee College of Music (Boston, MA)

1993 Bachelor of Music: Music Production & Engineering / Voice Principal

## RECENT VOICE EXPERIENCE
